Practices of Comparing between Europe, Africa, Asia,
and the Americas, from Antiquity to the Present

The international conference, organized by subprojects A03, B01, B03, aims to create a conversation between epochs as well as disciplines studying cultural contact, conquest, and colonization regarding the crucial role of practices of comparing.

Keynotes will be held by Prof. Peter C. Mancall (USC Dornsife), Prof. Demetrius Eudell (Wesleyan), and Prof. Alexander Honold (Basel).
